

## TO ALL GROUPS & MEMBERS

The Corrections Committee of the Greater Vancouver Intergroup Society has determined it best to **cancel** the annual Roundup again in 2021. The purpose of the roundup is to raise awareness of the work, encourage members inside to contact A.A.® upon release and to raise funds for literature which the sponsors bring inside to discuss with the inmates at the meetings. But, the meetings are cancelled too.

**We now issue a plea:** Facilities could use soft cover literature which jails can now accept. If your group has extra cash or *soft cover Big Books, 12 & 12, Living Sober, Came to Believe* or *Daily Reflections* the office can accept them on behalf of the Corrections committee with our thanks and the gratitude of those incarcerated.

The *A.A. Grapevine*® magazine is also appreciated, so if your group has been buying those and no one has taken them – please consider donating them. They work well in Detox, Treatment and Correction facilities.

**Direct contact to the Corrections committee is at:**
