Corrections Roundup:

In the mid 1980's a group of enthusiastic sponsors taking meetings into the local Provincial Correction centres decided to organize a fund raiser with the purpose of buying A.A. literature to bring inside those centres and distribute to interested AA meeting participants and to encourage members to consider sponsoring meetings inside. The first [round up](#) was held at St. Mary's High School in North Vancouver and the speakers were from Prince Albert, Sk. – members who were actively involved with bringing our message inside and a “lifer” who sobered up inside and was finally granted parole.

The response was heartening and thus was born the annual event which came to be known as the Corrections Round up. The Corrections Sub Committee was given the responsibility to find a chair person and approve the signing officers of that group. Initially the funds were managed by the Central Office staff, but it was soon realized the committee had to have access to the funds to pay expenses as the planning and happening evolved. Things like site rent, payment for printing, speaker expenses, decorating & registration supplies, etc.

It was also agreed to ask groups within the GVIS to donate funds for supply of tickets to those held inside – both incarcerated and in local residential treatment houses. Over the past decades the event has managed to raise sufficient funds to

cover literature costs for distribution to ARCC (through its many name changes), Surrey Pretrial, North Fraser Pretrial, Fraser Regional Corrections and the Youth Detention Centre. Experience has also shown that interest in participating in those centres increases during the day.

As with everything, the pandemic has necessitated cancellation of the [Corrections Roundup](#), but now, with the gradual return to our normal lives, the Corrections Roundup Committee from 2 years ago has re-formed and the next event will be held November 5, 2022 from 9:30 am to 9:30 pm at the Pitt Meadows Heritage Hall, 12460 Harris Road, Pitt Meadows, BC. Tickets are available at the office, at meetings around the region or online with [E-transfer](#) ability. Once again groups are invited to help sponsor the participation of those struggling newcomers from inside facilities. Of course, groups are also asked to make the announcements so that we once again become the event not to be missed! See you November 5th!

Corrections Committee:

At Greater Vancouver Intergroup our [Corrections Committee](#) works *diligently to make sure the funds collected by the Corrections Roundup are used for literature distributed* into the hands of inmates in Provincial Institutions. Aloha Mike and the members of the corrections committee bring AA behind the walls. To do service within corrections email corrections@vancouveraaa.ca

Group Corner:

Crescent Heights is a meeting in South Surrey that has been around for over 50 years! We've been known over the years as 'The Kindergarten Group' mostly because our location was in a church basement that was a preschool, with dangly art hanging from the ceilings and positive messages covering the walls. For many of us, these were bright reminders of our child selves and the potential we hold, even as we face the realities of our new, sober lives. Cookies made by 'Baker Mike' would be passed in large bowls, and laughter and loud greetings at the door was the welcoming experience of those who crossed the threshold.

We lost this charming space due to Covid, we hunkered down at home to continue our meetings online in March 2020. This was a big adjustment, but ours was a committed group, and we continued to hold business meetings online and practiced 7th Tradition and celebrated sobriety milestones. Afterwards, we had virtual 'parking lot meetings' as a nod to the days when we would hang out in the parking lot to extend the fellowship time.

In the fall of 2021, we had a great team who went in search of a new home for CH. Amazingly, they secured the original rental space in the Crescent Park area where it all began. No one remembers when the group started, but we still have an original early member, Eveline O. who will celebrate her 48th year of sobriety this December. We are now a hybrid meeting, with a handful of people online, and 30-50 in person. Ours is still a group that embraces laughter, and yet we enjoy solid long-term recovery messages from members and a continual focus on the newcomer.

We invite you to join us on Wednesday nights at 8pm

Each Alcoholics Anonymous group ought to be a spiritual entity having but one primary purpose--that of carrying its message to the alcoholic who still suffers." Tradition 5 (the long form).

A.A.'s Traditions suggest that a group not be named after a facility or member (living or deceased) and that the name of a group not imply affiliation with any sect, religion, organization or institution

Group Corner:

WE'RE STAYING ONLINE!

Hi from [Daily Reprieve \(DR\)](#), a successful online nooner. We run 7 days a week with no plans to go back to an in-person format.

Why? For one thing, we lost our physical space to COVID shut-downs. Though other groups are now returning to in-person, we've developed a workable [online format](#) and a close-knit fellowship. We serve 47 members, keeping them apprised of roundups and Intergroup events.

We're a tremendous asset for worksite callers, shut-ins and others who cannot travel to meetings due to physical ailments. Our healthy 7th Tradition - via e-transfer – is regularly divided among the three levels of service.

We recently contributed \$2,000 to Central Office to help with their current funding crunch.

[DR](#) offers 7 different hosts, whose familiarity over time creates safe spaces for newcomers and for those coming back. We've even had newcomers reach their first year of sobriety with us! Our service positions include host, co-host, monthly secretary, monthly chair, Intergroup Rep and membership secretary.

People tell us often how they value us. Visitors come from London (England), France and even Ireland. Those from Victoria, Kelowna or Wisconsin often become members.

We're happy with our online meeting. Come and check us out!
